

# FALL BREAK *in* NEW HAVEN

Congrats on making it to Fall Break! Here's a little guide we put together to help you make the most of New Haven during your well earned rest...

## Prepare for Winter:

- It's starting to get colder, and Fall Break is a great time to start thinking about the things you need.
- The Saver's Trip on October 18th, 12-4pm, is a great opportunity to pick-up some winter gear, and you can be reimbursed for items bought there from the winter clothing grant!

## Explore New Haven! Here are some cool things to check out:

- Chalk Art Festival, Saturday, October 19th, 12-4pm at the Shops at Yale
- Hike East Rock - it's most beautiful in the Fall!
- Visit the Yale Art Museum or the Peabody Museum of Natural History
- Simply have a wander and find something you didn't know about before!

## Make your break productive:

- Fall break is a chance to chill out... but, midterms and papers unfortunately still exist. Plan out your assignments due after the break, and allot time each day to get them done - a little bit of work will go a long way in making your workload more manageable!
- Academic Strategies can help you with this: check out their open house on October 18th, 11-1pm - lunch included
